

The Coniston Hotel
Country Estate and Spa

We booked our wedding quite short notice and from the first meeting, the hotel were completely confident that everything we wanted was possible, and they were right!

Every request was dealt with straight away and seamlessly. When we arrived the day before, we had a warm greeting from every member of staff we saw. Sharon was our coordinator and master of ceremonies on the day and she cannot be faulted at all. She had a knack for not being noticed but turning up at the exact right moment to ensure the day ran smoothly. And even kept a calm face when she turned up to my room when it was time to go and I wasn't ready!

Every single member of staff made us both feel like the most important people in the world throughout the whole weekend and we cannot recommend the Coniston Hotel enough. Thank you to everyone we met for making it the best weekend of our lives. Especially to Sharon and Nathan who were absolute stars on the day, we cannot thank you enough!

Wow, what can we say, our dream day at our dream venue. Coniston somehow manages to capture the elegance of a luxury wedding and venue but with such a laid back and relaxed atmosphere, it's perfect.

We had so many comments from our guests at how well the day flowed, the superb food, the excellent service and the warm laid back atmosphere. For us personally, during the planning stage, no question was too small or silly for the wonderful wedding coordinators, they answered every one for us and I really felt at ease with all the arrangements.

If Coniston are on your short list then please go and visit and book, you won't be sorry, fantastic staff and service at a stunning location, what more could you wish for?

On behalf on myself and my new wife Emma, I would just like to express our gratitude to the whole team at The Coniston Hotel for a perfect day on our fairytale wedding. When we first started considering venues for our special day, we didn't want to do the ordinary and book a venue local to ourselves as many of our family members and friends had already married at these venues. So we searched the internet for the top wedding venues around Yorkshire. And obviously The Coniston Hotel came up on a list of different venues. We had planned to visit a few different venues before making a decision.

However, The Coniston was the first place we visited and its safe to say, we didn't look anywhere else. Luckily on the day we visited the venue, there was a wedding on and we had

a walk around and saw what Bannister's Suite would look like set up for a wedding breakfast. We were sold and knew there was no other place for us!

We then had appointments with both Krystina and Sophie who were the wedding co-ordinators at the time and we got our date booked in and then the planning really started! From start to finish, Sharon had been available to contact with any questions we needed to ask and was always quick to respond so we could proceed with our ideas. She really is a testament to herself with her commitment to her role and the company!

On the whole, I would have to say I have never visited a more beautiful location and would highly recommend to anyone to have their wedding at The Coniston Hotel. The images on the website are stunning but seeing the place in person is where you will know for sure that its the place for you! The grounds are beautiful and the view of the lake and the valleys from Huntsman's Lodge is breathtaking!

We chose to get married at the Coniston Hotel due to the amazing location, rustic feel and beautiful scenery, however what we did not initially realise was how fantastic the Coniston Hotel team would be and how our wedding day would be classed with the upmost importance by each and every member of the team.

The wedding team, initially Sophie and then Helen were so genuinely lovely and made sure that all of our special requests were facilitated seamlessly both prior to and on our wedding day. Nothing was too much trouble and the attention to detail regarding every aspect of the day was a testament to Helen and the entire team.

We feel very privileged to have got married at this perfect location and the excellent service provided by the entirety of staff made it even more special. We cannot even begin to thank you all enough and would like to let everyone know how much we appreciated all of your help, support and hard work. Thank you so much, we will always be forever grateful for deciding to get married at the Coniston Hotel.

The first time we ever visited the Coniston Hotel we knew it was the wedding venue for us. From the setting, to the staff, to the food, - everything was amazing! From day one Sharon and the wedding team were so welcoming and just couldn't do enough for us! They completely took away any stress and made everything on the day run so smoothly. We can not thank everyone enough for making our day so incredible, it will forever be our special place.

What can we say. When we sat to write this it became apparent just how wonderful our wedding was because we just couldn't find the words. From the moment we arrived the day before to the second we packed and left we felt so so special and looked after.

The wedding itself was one that I think many people will long remember and that is thanks to you, your team, and of course the rest of the hotel. From the food and it's exceptional service right through to your help at every step it was what we dreamt of but much more. Thank you for helping us to achieve our dream.

If you would like the perfect wedding to remember, the Coniston Hotel is the place for you! James and I got married at the Coniston Hotel and Spa on the 15th September 2018 and we could not recommend the team and venue highly enough.

The support, advice and expertise we received in the run up to the wedding and on the day was absolutely fantastic. Sharon and her team made it feel effortless; they kept us all calm and in the right places at the right times. We felt like we had nothing to worry about and everything was taken care of, often before it had even occurred to us to ask!

There was a huge amount of attention paid to all the little details that we had planned, which really did make the day perfect. The venue is so beautiful; so we have not only fantastic memories but stunning photographs too. The whole day felt extremely personal and we couldn't have wished for more, and that was thanks to the whole team at the Coniston.

Mr & Mrs Glenn, 15 Sept 2018

As soon as we saw the venue at Coniston Hotel we knew that it was the perfect setting for our wedding. The scenery around the Hotel is amazing and we knew that it would be amazing to celebrate here with our family and friends.

Everything was perfect on the day, Sharon and her team ensured that no stone was left unturned in our preparations leading up to and including the big day. Nothing was too much trouble for the team and everything we asked for we got.

We love this place and couldn't recommend Coniston Hotel highly enough.
